Coming on Friday, June 5th

School Fuel's "Novato Grows Talent" Telethon

All of Novato will want to tune in to the Novato Public Access television station NPAT, channel 30 for Comcast subscribers, from 5-8 pm on Friday, June 5th to see an extravaganza of ability, energy, and talent. Throughout the performance, Novato students will showcase their amazing abilities and the superb instruction that they are receiving from their teachers. Students from every grade level, K-12, and every school will perform.

There are a limited number of tickets available for \$5 each for individuals who would like to view the taping live at the NUSD headquarters. You may also consider making a donation to help maintain the music program. School Fuel has contributed between \$45,000 - \$62,000 annually over the past five years toward the salaries of the elementary music teachers. Similarly, School Fuel has contributed \$56,000 - \$95,000 annually to support middle and high school sections in the arts. Your help is needed to prevent cuts to this valuable program. For as little as \$10 per month, or \$2.50 per class, you can become a Scholar Club School Fuel member to help support keeping the music alive in our elementary schools.

For reservations, contact Darcy Marengo (using the form below) by June 1, 2009. You can also organize or join a house party to view the show with a group of friends or neighbors. To organize or find a house party in your area, please contact MJ Lonson (mjlonson@msn.com or 898-8900). Satellite television and out of area viewers will be able to view the production via web-streaming at www.ustream.tv/channel/novato-telethon. All of the money raised from the telethon will be used to maintain the academic and enrichment programs in our Novato public schools next year.

Ticket Reservation Form

Name _____

Address _____

Phone _____ Email Address _____

Number of Tickets _____ (Tickets will be available for pickup at the event)
